

## Video recordings of the Open Source Workshop now available

The video clips of all the presentations of the PREFORMA Open Source Workshop are now available on the [event website](#).

1		<b>Welcome and introduction</b> di Kungl. biblioteket
2		<b>PREFORMA and the Open Source community</b> di Kungl. biblioteket
3		<b>Free software and open formats: virtual immortality and independence for digital archives</b> di Kungl. biblioteket
4		<b>The relevance of FOSS license compatibility</b> di Kungl. biblioteket
5		<b>Open Science, Open Data: towards a new transparent and reproducible ecosystem</b> di Kungl. biblioteket
6		<b>VeraPDF: The PDF/A conformance checker accepted industry-wide</b> di Kungl. biblioteket
7		<b>DPF Manager: Digital preservation formats manager</b> di Kungl. biblioteket
8		<b>MediaConch: Conformance checking for audiovisual files</b> di Kungl. biblioteket

The workshop, hosted by the National Library of Sweden on April 7, 2016, featured keynote presentations by representatives from the PREFORMA project and the open source community, live demonstrations of the three conformance checkers for electronic documents, images and AV files by the suppliers working in the project (**veraPDF**, **Easy Innova**, **MediaArea**) and an informal networking event where attendees can share experiences, meet the PREFORMA developers and learn about the tools.
