All events (except Tuesday 31 July) will start at 16:00 with a tour of the exhibition where the speaker and other 3D-COFORM representatives will be on hand to give a tour and talk to the visitors.

The seminar itself will start at 17.30 after the exhibition has closed at 17.00.

After the seminar, visitors will be invited to join a discussion over a glass of wine with the speaker(s) and other 3D-COFORM representatives and visitors.
