- ❑ Project Events
- ❑ Hackathons Monetising and Conferences
- ❑ Questions

Project Facts

- ❑ Project Start Date: February 2014
- ❑ Project End Date: January 2017
- ❑ Number of Partners: 29
- ❑ EU Grant: 3,964,676 EURO
- ❑ Number of Work Packages: 6

Project Objectives

To increase and enhance the **use and re-use** of digital cultural content by **creative industries**, with a special focus on the use of **Europeana**, by delivering a range of **resources and instruments** to support their engagement.

3 Spaces: Technical, Content and Innovation

- Physical and virtual environments** to enable the creative use and re-use of cultural content
- Places to **engage with creative industries** in the implementation of our programmes
- The spaces will contain:
 - Guidelines and tools,
 - A platform for IPR guidance and content management;
 - Hackathons and workshops;
 - Incubation and mentoring activities.

Pilots and Demonstrators

6 Thematic Pilots

EuropeanaTV

Photography

Dance

Games

Open and Hybrid Publishing

Museums

3 Demonstrators to present innovative models of content use and re-use in educational applications
