

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Aims and Scope

How can we get the most from **5 projects** with **127 partners** totaling **3500 man months**?

- **Get a better understanding of what is going on in all projects**
- **Know who to call when you have specific questions**
- **Identify areas of overlap and concrete actions for collaboration**

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Planning and Synergies

Focusing in on areas of synergy and collaboration around:

- **Dissemination**
- **Distribution & Engagement**
- **Tech**
- **Content & Metadata**
- **IPR**

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

### **Executive Directors**

Jill Cousins

Harry Verwayen

### **The Europeana Network**

Luis Ramos Pinto

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Key Outcomes and Actions – Tech

- Need to avoid any duplications in the development of tools and services
- We all must agree on a Vision for APIs
- Define a clear joint roadmap for development by Q2 - **David Haskiya**
- Arrange a physical meeting at EuropeanaTech event in December 2014 (and a Space event before summer?)
- Set up a co-ordination group across the 5 projects to meet by Skype bi-monthly, especially useful for Creative, Space and Sounds. Who else would benefit?

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Key Outcomes and Actions – Content & Metadata

- Develop a “data matrix”, or business model for contributing institutions (ONB meeting Vienna April 10)
- We must co-ordinate annotation standards
- Provide a quick start guide for aggregation and a MINT tutorial –  
**Europeana Aggregation Team**
- Define what kind of curatorial layer we can create
- Add new projects to the Aggregators Forum on Basecamp to can continue communication

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Key Outcomes and Actions – IPR

- Must develop alignment and coordination across all projects
- We will map deliverables across projects
- Set up a task force of relevant individuals from each project to meet at least twice a year -**Paul Keller**
- Europeana will set up a meeting to develop joint policies
- We shall communicate the policies and guidelines that are already established at Europeana

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Key Outcomes and Actions – Distribution & Engagement

- Further discussions on how we move to “demand” thinking?
- Share intelligence across projects
- Agree common approaches
- Develop common practices
- Share planning / timing for lifetime of each project – **Milena Popova**
- Set up a co-ordination infrastructure, without setting up a new meeting! – **Wiebe de Jager**

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Key Outcomes and Actions – Dissemination

- Focus on key audiences
  - Users
  - The Network
  - Creatives
  - **Investors – a completely new area, this needs to be co-ordinated!**
- All projects should speak a similar language (define branding strategy: Europeana)
- Europeana Comms group is the best communication channel
- draft an NDA form -**Nick Poole**

# Europeana New Projects meeting

13 & 14 March 2014 | The Hague, The Netherlands

## Follow-up, Materials and Links

- All have been invited to the Projects Group Basecamp space
- Presentations, images and contact info available from the Projects Group space
- Next meeting in September, Projects Group Assembly, dates to be confirmed

## Thank you!
