2025 TownsWeb Digitisation Grant offers three £3,000 prizes

The TownsWeb Archiving Digitisation Grant is back for 2025, with grants of £3,000 ready to be awarded to three lucky winners.

Since launching the grant, TWA have awarded over £150,000 to support the digitisation of more than 120 collections. Now entering its eighth year, the grant continues to support organisations across the UK in safeguarding their invaluable heritage materials.

Applications open on 16th June 2025. To be among the first to receive the application form and other grant-related news, simply sign up for the TWA newsletter here.
