

2nd UNCHARTED Co-creation workshop

The second co-creation workshop of the [UNCHARTED](#) project is held in Barcelona, at Centre d'Estudis i Recursos Culturals, on 15-16 June 2023.

This workshop is gathering members of the Advisory Board, invited stakeholders from the various fields related to cultural policy and cultural institutions, and partners of the consortium who are part of the research process.

The aim is to debate with actors about the central issues investigated during the UNCHARTED research, in order to deepen our understanding and, at the same time, to generate new hypothesis and research questions in the run up to the comparative analysis to be completed afterwards, and to look forward to the production of final project's outcomes.

The workshop is led by [UB](#), the project coordinator, in collaboration with [CNRS](#), lead partner of WP4, and [ELTE](#), lead partner of WP5.
