Fabulamundi: a European digital storytelling

?Fabulamundi Playwriting Europe: Beyond Borders??] is a cooperation project among theatres, festivals and cultural organisations from 10 EU Countries (Italy, France, Germany, Spain, Romania, Austria, Belgium, UK, Poland and Czech Republic). The network aims to support and promote the contemporary playwriting across Europe, in order to reinforce and enhance the activities and strategies of the professionals and artists working in the sector and to provide the theatre authors and professionals with opportunities of networking, multicultural encounter and professional development. Funded twice by the European Commission before the current edition, ?Fabulamundi Playwriting Europe? won the Creative Europe Call as cooperation project 2017 ? 2020 and now intends to widen both its reach and impact in the theatre sector. The theme of this edition of Fabulamundi is ?Beyond borders??, a wide reflection about a relevant, challenging and dramatic urgency for Europe and European citizens. In these days characterized by the immigration emergency and by the rising of new walls, ?Fabulamundi ? Beyond borders?? intends to focus on the issue of overcoming borders, in order to provide a deep sight and understanding on contemporary matters.

This is a big challenge gathered by Fabulamundi together with its network in order to develop its own cultural mission.

Fabulamundi aims to be a strong and wide platform of support and promotion of the contemporary playwriting across Europe.
