

## 8-9 November: EVA/Minerva 2015

On 8 and 9 November 2015 the 12th annual international conference for professionals in cultural heritage will take place at the Van Leer Institute in Jerusalem. The event, focused on the preservation and dissemination of cultural heritage through education and training in advanced information and communication technologies (ICT), this year includes the following tracks and sessions/workshops:

**Museums track**

**World Union of Jewish Studies track**

**Harvard Judaica Projects**

**Israel Antiquities Authority track**

**Association of Israel Archivists track.**

Further details and info will be soon available on the conference [website](#).
