

88MoCCA WebMuseum of Chinese Contemporary Art

88 MOCCA ? [The Museum of Chinese Contemporary Art](#) on the web was initiated by the [Fritz Kaiser Foundation](#) which shows selected artworks of its collection.

The 88 MOCCA blog provides interesting insights and info about projects involving Chinese contemporary artists worldwide

88 MOCCA shows a selection of more than 100 artworks of over 50 Chinese contemporary artists. On the webmuseum the visitor can get a deeper insight into Chinese contemporary art.

Contemporary art seen as an open source of interesting visual expressions with weak signals and concrete arguments and counter arguments offers enjoyment and contributes to better understand today's social challenges.

Chinese contemporary art offers deeper insight into today's social situation in China and ultimately helps to bridge western and eastern cultures.

88 MOCCA functions as a multi-media website and aims to support and showcase great Chinese contemporary art by means of quality information for the public.

Get to know more about artists and their artwork. Search artworks by criteria or choose the "intuitive art experience". Videos, interviews, event calendar, resources, news and e-cards complete the experience. Special temporary exhibitions are held in collaboration with renowned institutions or galleries.
