# AMIA 2017 Conference

AMIA is a nonprofit international association dedicated to the preservation and use of moving image media. AMIA supports public and professional education and fosters cooperation and communication among the individuals and organizations concerned with the acquisition, preservation, description, exhibition, and use of moving image materials.

Programmed by professionals working in the field, the annual AMIA Conference is the largest gathering of motion picture and recorded sound archivists and interested professionals. More than 550 annual attendees include members and colleagues from around the world.

The goal of the Conference is to present an broadly-based program that speaks to the wide range of attendees with a balance of theory and practice, inviting new ideas and concepts that may stimulate additional interest, involvement and educational benefit. The conference provides an opportunity for colleagues and those interested in the field to meet, share information and work together. For newcomers to this vibrant, dynamic and committed community, networking with other AMIA members and industry professionals is invaluable for professional development. AMIA conference registration includes participation in all regular sessions and screenings and some special events.

The 2017 edition of the AMIA Conference will be held on 29 November - 2 December 2017 in New Orleans.
