Call for Papers open for DIPP2016

The Sixth International Conference on Digital Presentation and Preservation of Cultural and Scientific Heritage?DiPP2016 is organised under the UNESCO patronage and aims at presenting innovative results, research projects and applications in the field of digitisation, documentation, archiving, representation and preservation of global and national tangible and intangible cultural and scientific heritage.

Authors are invited to submit original, unpublished research and project papers that are not (and will not be) simultaneously under consideration for publication elsewhere. General areas of interests include (but are not limited to) the following topics:

- Digital libraries, e-archives, repositories, virtual museums, e-exhibitions and encyclopaedias of cultural heritage
- Virtual reconstructions and interactive multimedia solutions for museums, theatres, concert halls, exhibitions, etc.
- Restoration and preservation of tangible and intangible cultural heritage
- Acceleration and facilitation of the sharing and exchange of research data
- Issues of the protection of intellectual property: determination, accreditation and management of rights to digital content
- Documentation, visualisation and interaction in museums and archives
- e-Infrastructures and open access to digitised cultural and scientific heritage
- Aggregators for transfer of digitised wealth within the European and global digital environment
- Semantic processing of cultural heritage knowledge. Techniques for extracting digital data and knowledge
- Use, efficiency and design of interfaces for applications in cultural heritage. Multilingualism
- Interactive systems in cultural and creative industries. Social games. Digital storytelling in cultural heritage
- Educational applications of digital libraries with cultural and scientific content
- Digitalisation of cultural heritage and economics of cultural tourism

Paper types: *full papers* (8-10 pages); *short papers* (6 pages) and *project papers* (6 pages)

All research papers must be written in English and follow the formatting guidelines of Springer's Lecture Notes in Computer Science (LNCS). Authors should clearly indicate the topic/s and the type of the contribution. All papers are peer-reviewed by at least two members of the programme committee. All submissions are reviewed on the basis of relevance, originality, significance, soundness, and clarity. At least one author should attend the conference to present the paper.

Demos, demonstrations and exhibitions: Memory institutions (e.g., libraries, museums, galleries, archives), research institutions and universities are invited to demonstrate their digital content management systems, digital archives, libraries and repositories preserving national cultural and scientific heritage.

Important dates:

DiPP2016 conference: September 26?28, 2016

Deadline for papers submission: **July 5, 2016**
