

Can Citizen Science Contribute to the Cultural Heritage Challenges of Today? the answer from UNCHARTED project

On Friday, May 19 2023, KU Leuven, coordinator of the [CitizenHeritage](#) project organised the workshop entitled Can Citizen Science Contribute to the Cultural Heritage Challenges of Today?.

Antonella Fresa, Network & Communication Manager of the [UNCHARTED project](#) and Vice-President of [Photoconsortium Association](#) partner of the CitizenHeritage project, participated in the workshop to present the contribution of UNCHARTED to the question posed by the workshop. The presentation "**2023Culture values, participation and co-creation: the UNCHARTED project**" is available for [download](#).

The workshop run as a hybrid event hosted by the Irish College Leuven (Grand Auditorium) and accessible online. The agenda of the event is available [here](#).

CitizenHeritage is a European project funded by the [Erasmus+](#) Programme of the EU, which collaborates with the UNCHARTED project.
