Civic Epistemologies at NALIS Forum 2015

On **12 May 2015**, in **Sofia**, at the **Ball Room of Radisson Blu Grand Hotel**, the 4th international conference organised by the **NALIS Foundation** was held, under the title "The Challenge to Collaborate in the Digital Age". The event was realised with the support of the **America for Bulgaria Foundation**.

As invited speaker, **Antonella Fresa** of **Promoter SRL** intervened with a presentation entitled "**From digitisation to the re-use of digital cultural content and citizen participation**"[download], aimed at emphasizing the **sociological impact of digital cultural heritage** and technologies.

As one of the most relevant projects in the field of digital cultural heritage, Civic Epistemologies was presented by Fresa's speech together with E-Space, RICHES and the recently (successfully) concluded Europeana Photography.
