Develop new skills and build capacity for 3D in 2026 with EUreka3D-XR

Discover the many upcoming events and exciting initiatives organized in the context of EUreka3D-XR project, as the project enters its final year:

EUreka3D-XR at Public Domain Day in Europe 2026 (15 January)
3D-4CH Winter School (21 - 23 January)
EUreka3D-XR Demonstration Event and Workshop (29 January)
Digital Cultural Heritage in the Era of AI and Extended Reality (26 May)

Learn more about these events and how to participate through a new blogpost published on Europeana Pro, where you can find all the informations to catch up.

EUreka3D-XR project is co-financed by the Digital Europe Programme of the European Union.
