

Development of cultural & creative tourism in rural and remote areas, empowered by multidimensional models of tourism growth

In the occasion of the [international conference](#) organised by [TOURAL project](#), [SECreTOUR](#), [CROCUS](#) and [CULTURALITY](#), the projects that participate in the cluster of cultural tourism actions supported by <https://toural-project.eu/> the EU under the Horizon Europe Programme, presented their initiatives in a dedicated corner of the conference's poster session.

Furthermore, [SECreTOUR](#) and [CULTURALITY](#) had the opportunity to participate, together with [TOURAL](#), in the special session held on 31/1/2026, to present their actions addressing various aspects of promoting cultural tourism in remote and rural destinations.

Poster and presentation delivered by SECreTOUR are available for here for free download:
