Digital Art Week London 2024

Digital Art Week London

Digital Art Week is a week-long city-wide takeover of the world's leading cultural capitals for digital artists, tech innovators, and digital fashion pioneers to collaborate and push the boundaries of what's possible in the fusion of art and technology.

With the next edition scheduled for **April 22-28, 2024**, Digital Art Week centres on bringing digital experiences to life in exciting spaces and iconic locations. Powered by NextGen technologies, the event brings brand storytelling to life through experiential digital arts.

Take a look at the artists]

The aim of the event is to immerse you in art and tech through citywide activations, reimagining some of London's most recognised locations to let you experience your favourite artists and brands in ways you have never before.

The call for speakers is now open and it will run until March 30, 2024 at 11:59 PM.
