Digital Storytelling Festival 2025- an event by Europeana

The Digital Storytelling Festival is a yearly event, organized by Europeana. It aims to encourage cultural heritage professionals, educators, creatives, and students from Europe and beyond to boost their storytelling skills and tell stories exploring culture, hoping to inspire participants to create connections between art, culture and history and the contemporary world.

The event this year will take place on May 13 and 14. Be the first to register at this link.
