

DISH2015: last chance to write your proposal!

We've got to lobby, lobby and lobby! Where every serious industry or action group lobbies like crazy, **the heritage sector seems to struggle to raise its voice**, not only in its own interest, but that of the whole information society. **Let's work together to influence your local, regional, national, European and global law maker and sugar daddy.**

DISH 2015

Money and Power The conference about digital strategies for heritage

7 - 8 december 2015
De Doelen, Rotterdam
