Great success for ?Driving Digital Transformation in Cultural Heritage Institutions? Online Training Programme

After three appointments, open keynote speeches and interactive working sessions where 30 learners were selected to join the full programme, the **2025 Online Training Programme ?**Driving Digital Transformation in Cultural Heritage Institutions?] (organized by EUreka3D?XR Project in collaboration with the International Council on Archives (ICA) and Photoconsortium), came to an end.

The event was a great success, with over 80 participants in every session and plenty of views on the Youtube livestreams, that are still available (links below) for those who want to dive back into the or fully immerse themselves for the first time to further inspire and support continued learning and reflection around the topic. Moreover, the participants to the interactive part hosted by Peter Fornaro (University of Basel) had a productive and fruitful session, and will receive a certificate for their activity.
