DTCE 2021 International Online Conference

The 1st International Online Conference on **Digital Transformation in Culture and Education** will take place on 14-16 April 2021.

Conference will be hosted by the Serbian Library Association Section for Digital Transformation.

The Conference provides an excellent forum for digital librarians, researchers and practitioners to present and discuss the latest advancement and problems as well as future directions and trends in digital transformation in today's ubiquitous virtual environment challenged by pandemic "new normal".
