EAGLE 1st Short Storytelling Contest

A touch reading of a partially-faded inscription in the catacombs of St. Alexander on via Nomentana in Rome. Picture by Giorgio Crimi.

Deadline: January 26, 2016

We're looking for short stories! Think you can write a winning story in 2500 words or less? Enter the **1st EAGLE Short Story Contest** for your chance to win Euro Amazon Voucher for up to 200 Euross, get published in EAGLE Portal and Storytelling Application and participate in the EAGLE 2016 Conference! Stories must be related to one (or more) of the inscriptions featured in one (or more) of the EAGLE Collections. Stories can be in English or any other European language, as long as you provide a 250 word abstract in English. Stories must be accessible to the public and must make use of as much multimedia (music, videos, interactive presentations, linked open data) as possible. Authors are strongly encouraged to make use of the Storytelling App. Examples can be found here.
