

ECHOES Policy Event and Communities Onboarding Workshop

The [ECHOES Project](#) Policy Event] "**Toward the Cultural Heritage Cloud**" and the workshop "**Onboarding communities into the Cultural Heritage Cloud**" will take place in Brussels and online on 12 - 13 December 2024 and will officially launch the **European Collaborative Cloud for cultural heritage!**

The **Cloud** is envisaged as a shared platform for heritage professionals, scientists and researchers to access data, innovative scientific and training resources and advanced digital tools in collaboration with and for the cultural heritage communities.

The **Policy Event "Toward the Cultural Heritage Cloud"** (12 December), organized in cooperation with the European Commission, is aimed at officially launching the Cultural Heritage Cloud.

The **Workshop "Onboarding communities into the Cultural Heritage Cloud"** (13 December) will provide the ECHOES communities with an opportunity to discuss the challenges related to cultural heritage in the digital age and learn how to be involved in the Cultural Heritage Cloud.

The event can be attended in person at the Royal Institute for Cultural Heritage (KIK-IRPA), Brussels or online.
