# Promote your organisation's skills and heritage on the EU MetaHeritage Map!

Time Machine Organization is delighted to invite organisations to join **MetaHeritage**, a pioneering European initiative committed to promoting sustainable heritage development through digital innovation and cross-regional collaboration. Participation in the MetaHeritage network is completely free of charge.

By joining, organisations can:

Gain **visibility and recognition** on the interactive project map

Build **networks and collaborations** with experts and institutions across Europe

Access **innovation, tools, and best practices** for heritage projects

Contribute to shaping the **future of cultural heritage policies and practices**

How to join?
