EUreka3D at the Europeana Digital Storytelling Festival 2024

Every year, the Europeana Digital Storytelling Festival is the international event that encourages cultural heritage professionals, educators, creatives, and students from Europe and beyond to boost their storytelling skills and tell stories exploring culture.

EUreka3D project was part in this online event on 22 May 2024, in the context of the panel session ?**Innovative media**?, where Marinos Ioannides, Director of the Digital Heritage Research Lab at Cyprus University of Technology, presented outcomes and stories behind the 3D digitised objects and sites within the context of EUreka3D.
