

## EuropeanaPhotography kick-off

In the beautiful framework of Florence, at Alinari's ancient palace, the opening conference of EuropeanaPhotography project will take place on 9th and 10th February .

The kick-off will be the occasion for all the partners to meet and to share once again the major points of the project, and for each one to start with pushing motivation and great enthusiasm its own project's activities. Alinari 24 Ore, being the project coordinator, will host and guide the conference, also taking the occasion to drive the colleagues through a tour of its base, with a general overview of the image selection/capturing and indexing workflow at Alinari's.
