

EVA Berlin conference 2014

The Staatliche Museen zu Berlin, Preußischer Kulturbesitz (National Museums in Berlin, Prussian Cultural Heritage) and the Fraunhofer Institute for Computer Graphics Research IGD invites to the 21st EVA Berlin conference on Electronic Media & Art, Culture, History, which will be held from 5 to 7 November 2014.

Venue is the Kunstgewerbemuseum Berlin (Museum of Decorative Arts) at the Kulturforum Potsdamer Platz, Berlin's culture Plaza (Matthäikirchplatz 8, 10785 Berlin).

The EVA Berlin conference is an annual discussion forum for electronic documentation and visualization technologies in the field of cultural heritage applications. Ambitious digitization projects with regard to cultural context, network-based research and new technical opportunities for museums, libraries and archives are presented with a strong reference to their usage. It encourages the exchange between heritage institutions and technology providers, information professionals and the public administration on current issues and innovative technologies of the digital society. Conference, workshops and exhibition offer a valuable opportunity to gain insight into new products and services and to establish partnerships.

PROGRAMME:

3D digitization, documentation and presentation of cultural heritage are among the main items on the agenda of this year's conference:

Wednesday, 5 November 2014 | 9:30am-12:30pm
