# From Digitisation to Preservation, Creative Re-use of Cultural Content and Citizen Participation

On 1st October 2015, in Granada, an important event was being held, organised by **Promoter SRL** under the title ?*From Digitisation to Preservation, Creative Re-use of Cultural Content and Citizen Participation*?. The initiative, hosted by the *Digital Heritage 2015* conference, was a discussion panel involving EU projects **RICHES**, **Civic Epistemologies**, **E-Space**, **PREFORMA** and the international association **Photoconsortium**.

Click here for further information on the Panel, including programme and speaker.

More details on Digital Heritage 2015 are available in the Conference website.
