Future Technologies Conference (FTC) 2018

The **Future Technologies Conference (FTC) 2018** is to be held from **13-14 November'18** in **Vancouver, Canada**. FTC is the world's pre-eminent forum for reporting technological breakthroughs in the areas of Computing, Electronics, AI, Robotics, Security & Communications.

FTC attracts researchers, scientists and technologists from some of the top companies, universities, research firms and government agencies from around the world. Each paper will be reviewed by at least three regular PC members or two senior PC members. The acceptance decisions will take into account paper novelty, technical depth, elegance, practical or theoretic impact, and presentation.

The conference programme will include paper presentations, poster sessions and project demonstrations, along with prominent keynote speakers and industrial workshops.

Complete details are available on the conference website : http://saiconference.com/FTC

2017 Keynote speakers were: John Martinis (Google), James Hendler (RPI), Peter Mueller (IBM Zurich Research Laboratory), Ann Cavoukian (ex-Privacy Commissioner, Ontairo) and Kevin Leyton-Brown (UBC).

FTC 2018 papers will be will be published in Springer series "Advances in Intelligent Systems and Computing" and submitted for indexing to ISI Proceedings, EI-Compendex, DBLP, SCOPUS, Google Scholar and Springerlink.
