ICT Research and Innovation for Creative Industries and Cultural Heritage: Horizon 2020 Information and Networking Day

This event, organised by the European Commission on 17 November, addressed potential applicants for the first Calls under Horizon 2020 in the fields of ICT research & innovation supporting the Cultural and Creative Industries and Cultural Heritage.

The plenary session provided participants with information on the current work programme and about preparing proposals.

Two relevant calls were presented: ICT-20 (topic: Tools for smart digital content in the creative industries) and CULT-COOP-09 (topic: European cultural heritage, access and analysis for a richer interpretation of the past).

A networking session followed, where participants shared their project ideas and look for consortium partners.
