

II Annual Conference of the International Council on Archives

Martin Berendse], President of the **International Council on Archives (ICA)**, warmly invites you to ICA's 2nd Annual Conference 2014, being held in **Girona** on 13-15 October. It is also the 9th European Conference on Archives and the 13th Image and Research Seminar and ICA is delighted to be partnering with these respected major Audio-visual and European Archival events to deliver a professional programme addressing such a fascinating topic.

The ICA 2014 Annual Conference Joint Programme Committee is seeking presentations on the following themes:

- Cultural and creative industries, and strategies of collaboration with archives
- Actions and initiatives
- Archives and web portals
- Access to information
- Digital repositories and authenticity preservation in the Cloud
- Open data projects
- Business models for digital preservation and custody

175th Anniversary of Photography

Deadline for proposals: **28th February 2014**

Acceptance of proposals: **30th April 2014**

Deadline for texts submission (web): **1st September 2014**

Further information about how to register and give your presentation is available on the official Annual Conference 2014 [website](#):
