Image and Research Conference 2026

Organized every two years by CRDI - Centre de Recerca i Difusió de la Imatge ever since 1990, the Jornades Imatge i Recerca in Girona brings together experts and public interested in debating, reflecting and teaching different aspects related to the management of **photographic and audiovisual heritage**.

The Conference addresses this issue from a broad perspective that covers a multitude of specialties, from the study of historical photography to the management of cultural heritage, archiving and new technologies, among others.

The 19th edition of the **Image & Research Conference** will be held on **November 19 and 20, 2026** (Auditorium Palau de Congressos of Girona), while workshops will take place on the **18th and 21st of November** at the Centre for Image Research and Dissemination.

A call for papers and further information on the programme will follow - get updated at this link.
