

"Imprese Creative Driven", a call for enabling relationships between business and creativity

Parma, the Italian Capital of Culture 2020, is launching **a call and a programme to enable creativity and culture embed in the business industry**.

The overall grant is 80.000 euros to support up to 8 projects.

Two **training days** are planned on 7 and 8 November, and a period of **open days** from 13/11 to 2/12 to visit the important companies and business that support the call will allow applicants to develop quality proposals, to be submitted within **the deadline of 19 December**.
