

inDICEs workshop Digital Transitions in the Cultural Heritage Sector

The 2nd Consultation Workshop from inDICEs project brings together cultural heritage professionals, researchers and the inDICEs community to discuss needs and concerns in relation to digitization, online access, the use and the potential re-use of collections, data needed for developing digital strategies and contents, future research competencies and change management.

The workshop has 2 sessions:

April 20, 2021- 11:00 - 11:20

Emergent forms of digital cultural production/re-production, participation and re-use of CHI contents in the Digital Single Market

April 21, 2021 - 10:00 - 13:00

Sharing collections sustainably & meaningfully: A brief introduction to rights management in cultural organisations

Both sessions are free of charge and registration is now open via [this link](#)
