"Inspired" is the quarterly **EGI (European Grid Infrastructure) newsletter**, reports the organisation's latest achievements and all the initiatives near to the thematic around the EGI community.

The #20 issue is now available online and it hosts an article about the [CIVIC EPISTEMOLOGIES project](#) with a special focus on the project outcomes and in particular on the Roadmap development.

You can find the Civic Epistemologies story here:

http://www.egi.eu/news-and-media/newsletters/Inspired_Issue_20/civic_epistemologies.html

And the PDF is available here: http://www.civic-epistemologies.eu/wp-content/uploads/2015/07/Issue_number_20.pdf
