

International Festival of Theatre, Art and new Technologies "The Wonders of possible" - OPEN CALL FOR ARTISTS

Between October and November 2026 in Cagliari, at Spazio DOMOSC ? Open Scena Concept, the thirteenth edition of the [International Festival of Theatre, Art and New Technologies ?The Wonders of the Possible?](#) will take place.

The Festival supports the development and experimentation of new creative, theatrical and artistic languages through new technologies, with a programme including performances, shows, installations, workshops and conferences. It offers participation opportunities to Italian and international artists, including emerging companies and/or under-35 artists, inviting them to submit their project by **7 June 2026**.
