Linked Heritage Third Plenary Meeting and WP Technical meetings

The pioneering Alameda Campus will host the third plenary meeting of Linked Heritage project
Lisbon will host the Linked Heritage Third Plenary Meeting and WP Technical meetings (Reserved to partners).
Linked Heritage ? Coordination of Standards and Technologies for the enrichment of Europeana - is a **30 month EU projec**t, started on 1st April 2011.
Linked Heritage has 3 main objectives: I) to contribute large quantities of new content to Europeana, from both the public and private sectors;
II) to demonstrate enhancement of quality of content, in terms of metadata richness, re-use potential and uniqueness;
III) to demonstrate enable improved search, retrieval and use of Europeana content.
The consortium includes representatives of all the key stakeholder groups from **20 EU countries**.

]
The Plenary represents an interesting and useful meeting to know the state of the art of the project and to plan the activities for the next months.

Digitalmeetsculture.net will follow the proceedings of the meeting!!!
