THURSDAY CONCERTS - Thursday 8th November

MIRA's opening concert brings together a futuristic line-up of well established and upcoming artists. Curating the first half of the evening is PAN, celebrating 10 years of the label; bringing along an eclectic selection of artists to demonstrate why the collective is so special, including **Amnesia Scanner** making her Spanish premiere presenting **As Oracle Live A/V**. Also on board is breakout name **M.E.S.H.** with **Michael Guidetti** on visual duties, **Eartheater** performing a live set around new release **IRISIRI**. Fresh from his Basic Volume album launch and Somerset House collaboration with Boiler Room, multi-disciplinary WARP signee **GAIKA** brings a high-energy, immersive A/V show to MIRA's opening event - a guaranteed must see.
