---

Muzeum@Digit Conference

Beside the presentations, the main goal of the conference is to share and discuss the perspectives and trends of modern digital museums and museum, library and archives digitization regarding the future plans of this field.

Attending this conference presents a great value and an excellent opportunity to meet industry experts and professionals from Hungary and other European countries as well.

This year the conference is going to host again the AVICOM event, the International Audiovisual Festival on Museums and Heritage (FIAMP) 2.0. The festival highlights the best achievements in the world of museology and the awards ceremony will be held in the Hungarian National Museum. You can register for the festival until 24th October.

Conference venue:

Hungarian National Museum

Múzeum krt. 14?16. Budapest (1088)

Date: 22?23 November 2016.

**The registration for the conference is open until 11 November!** Registration fee: 25 EUR
