New collaborations of SECreTour with the Swiss Diamond Boutique Hotel La Romantica

SECreTour Network of Common Interest

The SECreTour Network is growing!

A new collaboration has started between Hotel La Romantica and the SECreTour project.

The Hotel La Romantica in Melide (Switzerland) has joined the SECreTour Network, in the light ot its participation in the SECreTour pilot of Monte San Giorgio, coordinated by Università della Svizzera Italiana (USI).

The Hotel is hosting in its luxury structure a botanical garden orientated for sustainable tourism, developed in collaboration with the researchers of USI.

Autoctonous plants are grown and offered to visitors of the garden as a living introduction to the richness of the biodiversity of Monte San Giorgio.

Follow SECreTour online also on the SECreTour project's website.
