New collaborations of SECreTour with West-Pannon Ltd

SECreTour Network of Common Interest

The SECreTour Network is growing!

West Pannon is a not for profit Limited company active in West Transdanubia Region in Hungary. Its goal is to promote a sustainable regional development, with involvment of local actors. It has been working on domestic, cross-border and transnational projects in Western Transdanubia since 2011.

West Pannon manages the supported partnerships using the knowledge and the experience gathered through mutual learning, and providing suitable answers to the challenges of the targeted territories.

The collaboration between SECreTour and West Pannon relies on the alignement between the appraoches adopted by two initiatives, with regard to sustanability and engagement of local communities.
