

OFFF festival returns to Barcelona

OFFF visual campaign by ManvsMachine

The [OFFF](#) festival in creativity, digital art and emerging talent, returns to Disseny Hub in Barcelona 4-6th April.]

With the aim of promoting creative talent in the fields of design and digital arts, OFFF offers three full days of inspiring talks, workshops, masterclasses, a design market, networking, and other exhibition activities.

Now in it's 24th year, OFFF will present a carefully curated program, full of surprises and innovative proposals. More than 70 internationally renowned speakers in the fields of creativity, design, visual art, and digital culture will be part of the lineup.

About OFFF 24 visual campaign

The OFFF 2024 creative campaign is titled **LIFFFE/FFFORMS**.

The concept reveals an abstract family of living forms derived from the feelings and emotions we share in our daily lives as creative individuals. The concept and its creative execution were developed by ManvsMachine, and sound design is by Resonate.
