Open Screen 2021 : Call out for disabled artists working in the digital realm

Developed in partnership with Shape Arts, Open Screen is seeking proposals for new works that respond to the theme of Realities, as part of arebyte on Screen, arebyte's expanded and innovative online platform for digital animations, videos, web-based interactive experiences and curatorial interventions.

arebyte is inviting digital artists self-identifying as disabled to apply who work with technology to their advantage, or overcoming barriers, criticising matters of inclusivity within technology, and everything in between.

Dates and Times for submissions:

Open as of 28 April 2021
Deadline is midnight 13 June 2021 (BST)

Info and Application:
