PREFORMA @ EVA/Minerva 2016

On **7 and 8 November 2016** the **13th annual international conference for professionals in cultural heritage** will take place **in Jerusalem**.

The event focuses on the preservation and dissemination of cultural heritage through education and training in advanced information and communication technologies (ICT).

Borje Justrell and Antonella Fresa - Project Coordinator and Technical Coordinator of **PREFORMA** - have been invited to present the last achievements and to demonstrate the use of the conformance checkers developed by the suppliers during the prototyping phase.
