PREFORMA @ FOSDEM 2015

FOSDEM is a two-day event organised by volunteers to promote the widespread use of open source software.]

Taking place in the beautiful city of Brussels (Belgium), FOSDEM is widely recognised as the best open source conference in Europe.

PREFORMA will participate to the FOSDEM conference and one of the suppliers, MediaArea.net will have a developer room: see the Open Media DevRoom at https://fosdem.org/2015/schedule/track/open_media/.

What is FOSDEM?

FOSDEM is a free and non-commercial event organised by the community for the community. The goal is to provide open source

software developers and communities a place to meet to:

- get in touch with other developers and projects;
- be informed about the latest developments in the open source world;
- attend interesting talks and presentations on various topics by open source project leaders and committers;
- to promote the development and the benefits of open source solutions.

Participation and attendance is totally free, though the organisers gratefully accept donations and sponsorship.

For more information visit the Conference website.
