PREFORMA presented at Nordiske Arkivdage 2015

Magnus Geber from Riksarkivet (National Archives of Sweden) visited the Nordic Archival Conference ?Nordiske Arkivdage 2015? which was held in Copenhagen on 6-8 June 2015. PREFORMA featured with a poster and a small booth where hand out information material (booklets and factsheets) were available.

Before the conference there was a small separate meeting with IT-archivist from the National Archives of the Nordic countries. There Magnus Geber delivered a short presentation of PREFORMA, informing the attendees about the status of the project and the latest achievements. During the meeting there was also a presentation of E-ARK, sister project of PREFORMA.

For further information on the Nordic Archival Conference visit the Conference website.
