AD DVAS LAVROS

Article by Stefano Fedele

Ours is a non-profit organization, we operate in the territory of Roma in South East Municipality V, in digitization, archiving, publication on our websites, images, photographs, texts, documents, video and multi media, of this cultural, historical, archaeological heritage] **in our territory.**

We are valorizing monuments of Imperial Rome of fourth century After Christ like: the Mausoleum/museum of Helena (mother of Emperor

]Constantine), the catacombs of Saints Marcellino and Pietro (paleo Christian art gallery unique in the world), the ancient Villa Gordiani (IV century AC), the aqueduct Alessandrino (third century AC) and other places that make **this area the second largest archaeological concentration in the world** (the first is the area of the Colosseum in Rome).

We are building a project of touristic web marketing, cultural diffusion and historical exhibitions, conferences and a little part of is in Europeana at this link: <http://www.europeana.eu/portal/search.html?query=ad+duas+lauros&rows=24>
