RICHES latest outcomes shared

In the EC website of Research and Innovation, at the section of Social Science and Humanities, the latest outcomes of Riches project were just published:

http://ec.europa.eu/research/social-sciences/index.cfm

The European Commission announces today new initiatives **Towards a modern, more European copyright framework.** EU-funded social sciences and humanities research proposes a right-based approach concerning digitalisation of European cultural heritage to policy makers and heritage institutions.

Research projects also launched the **Berlin Charter** supporting citizens' engagement in cultural heritage and humanities research in the digital age.
