19-21 MAYO ■ MADRID ■ BIBLIOTECA DIGITAL MEMORIADEMADRID

The next Preservation and Archiving Special Interest Group (PASIG) meeting will take place in Madrid on 19-21 May 2020.

The Biblioteca Digital Memoria de Madrid, Centro Cultural Conde Duque is the event host. The PASIG Steering Committee is pleased to connect with colleagues in [Conde Duque](#), which is the most important cultural center in Madrid and home to some of the city's main libraries and archives. Like last year in Mexico City, this PASIG will offer bi-lingual translation services in English and Spanish.

The Preservation and Archiving Special Interest Group (PASIG) is dedicated to advancing the practice of digital preservation and archiving. It brings together practitioners, industry experts and researchers to share experience on how to put preservation and archiving into practice.
