School for Application Porting to Science Gateways

The **CHAIN-REDS** project is happy to announce the **School for Application Porting to Science Gateways** to be held in **Catania, Italy, on 9-20 June 2014**:

http://agenda.ct.infn.it/event/chain-reds-sg-school

The school aims at increasing the number of scientific applications running on grid and cloud-based e-Infrastructures.

Applications can be either proposed by the registrants or assigned to the participants at the beginning of the school. Applications can be proposed following the direct link:

https://agenda.ct.infn.it/internalPage.py?pageId=2&confId=1057

The deadline for application proposals submission is the **31st of May 2014**.
