

## Re-shaping Tourism: Practical Circular and Regenerative Solutions for Sustainable Touristic Destinations

The poster features a dark grey background with a large red circle on the right side. The title is in white text at the top left. Below the title, it lists the projects: VERNE, Regenera4MED, SECreTOUR, Green2Grow, and Cross Re Tour. The date and time are 'FEBRUARY 24TH, 2026 14:30 - 16:00 CET' and 'ONLINE'. A red button with white text says 'Register now'. At the bottom, there are logos for Regenera4MED, Interreg Euro-MED, Cross Re Tour, Green2Grow, SECreTOUR, Verne, and the European Union.

Green2Grow | SECreTOUR | Verne  
Funded by the European Union

The [SECreTOUR](#) project participates in the webinar co-organised with the [VERNE](#) project, in collaboration with [Cross Re Tour](#), Green2Grow and Regenera4MED. The webinar, **Re-shaping Tourism: Practical Circular and Regenerative Solutions for Sustainable Touristic Destinations**, will take place on February 24, 2026 at 14:30 CET.

The event aims to foster practical exchange and peer learning, encourage already existing good practices around sustainable tourism and stimulate discussions, reflections and insights.

The webinar aims at finding synergies and strengthening connections on the theme of innovation in sustainable tourism, in line with SECreTOUR's mission as part of the project's networking activity, to which EUREKA3D initiative is an associated partner.
